

California Archaeological Site Stewardship Program Agreement of Confidentiality Renewal

Executed on _____. This agreement is subject to renewal in one year.

I, the undersigned, hereby agree that I have read, fully comprehend, and agree to comply with the Archaeological Resources Protection Act of 1979 and the National Historic Preservation Act of 1966.

I have read, fully comprehend, and agree to comply with the Society for California Archaeology By-Laws, Article XVI: Code of Ethical Guidelines, Section 1: Ethical Responsibility to the Public.

I fully understand the confidential nature of working at archaeological, historical, and paleontological sites, and working with archaeological data, and I agree to respect that confidentiality.

I will ensure that specific site location information is not distributed in public documents nor made available to unauthorized individuals.

Furthermore, I agree to forward any information pertinent to cultural resource management to archaeologist(s) of the Bureau of Land Management, California State Parks, or US Forest Service.

I understand that failure to comply with any aspect of the above agreement is grounds for denial of subsequent access to the cultural resource site record data.
